

MISSION STATEMENT:

We the People of Wyoming, a sister Chapter of Wyo912Project, strive to educate ourselves and others on the founding documents and principles that created the Nation; the Constitution, the Declaration of Independence and the Bill of Rights.

We monitor voting records of our elected officials and pending legislation at all levels of Government in order to hold them accountable. THEY WORK FOR US.

To provide each member the resources, as a collective unit, to effectively citizen lobby for laws that don't infringe upon Constitutional Rights.

If there must be trouble, let it be in my day, that my child may have peace.

WE THE PEOPLE OF WYOMING

A Wyo912Project Sister Branch

What brought us together the day after 9/11 is the same that brings us together today...the American spirit resounding in all of us.

What began as a TEA Party movement has grown into concerned citizens that want to hold Government accountable for their actions and an Education movement.

Many hands make light work just as many voices make a commanding presence.

Please consider joining.

We the People of Wyoming
A Wyo912Project Sister Branch
Cheyenne WY 82009

The 912 project is designed to bring us all back to the place we were on September 12, 2001. The day after America was attacked we were not obsessed with Red States, Blue States or political parties. We were united as Americans, standing together to protect the values and principles of the greatest nation ever created.

- We are not a political party or have a specific political affiliation.
- We are not supported by any political party and therefore hold no allegiance to either of them.
- We receive no federal grants, all of our operating expenses are solely in forms of donations from concerned citizens and small businesses that care for this country and support Americans standing up.
- Political rallies are not used to endorse candidates.
- Forms of outreach are used to inform citizens of the plain language of pending legislation and can also include petitions, e-mails, letters to elected officials, phone calls and rallies.

9 PRINCIPLES:

1. America is good.
2. I believe in God and He is the Center of my life.
3. I must always try to be a more honest person than I was yesterday.
4. The family is sacred. My spouse and I are the ultimate authority, not the government.
5. If you break the law, you pay the penalty. Justice is blind and no one is above it.
6. I have the right to life, liberty and the pursuit of happiness but there is no guarantee of equal results.
7. I work hard for what I have and I will share it with who I want to. Government cannot force me to be charitable.
8. It is not un-American for me to disagree with authority or to share my personal opinions.
9. The government works for me. I do not answer to them, they answer to me.

12 VALUES WE LIVE BY:

- | | |
|-----------|-------------------------|
| HONESTY | MODERATION |
| REVERENCE | HARD WORK |
| HOPE | COURAGE |
| THRIFT | HUMILITY |
| CHARITY | GRATITUDE |
| SINCERITY | PERSONAL RESPONSIBILITY |
